.....

NOTES/FAQS:

TO PAY CONVENIENTLY ON-LINE, VISIT WWW.MINISTERSCOUNCIL.COM

1. The rates above include both local and national portion of dues. Dues are typically collected at the regional level for both regional and national membership, and the national portion is forwarded on by our treasurer.
2. *The local Metro Chicago Chapter has elected to **waive any local dues payment** for those with income less than \$10,000. However, we must still pay \$10/person for their national dues. *If others are led to do so, your contributions above your calculated dues will help us to provide this scholarship.*
3. There is no longer a discount for clergy couples. Please submit a separate form for each member.
4. When considering whether to base your income on individual or household earnings, please follow your own conscience. Your national leaders have entrusted this decision to you.
