NOTES/FAQS:

1. The rates above include both local and national portion of dues. Dues are typically collected at the regional level for both regional and national membership, and the national portion is forwarded on by our treasurer.
2. *The local Metro Chicago Chapter has elected to **waive any local dues payment** for those with income less than \$10,000. However, we must still pay \$10/person for their national dues. *If others are led to do so, your contributions above your calculated dues will help us to provide this scholarship.*
3. There is no longer a discount for clergy couples. Please submit a separate form for each member.
4. When considering whether to base your income on individual or household earnings, please follow your own conscience. Your national leaders have entrusted this decision to you.
5. See below/reverse for instructions to pay electronically.

If you have any questions, contact jacki@livingwellministries.net

*Note: Our chapter loses about 3% due to fees, **but we prefer this method for our timely data management.** We forward membership info to national office monthly, and include their portion of dues. You will receive a permanent membership card and an annual renewal sticker from the national office.*

2. THE SIMPLEST PROCESS IF YOU DON'T HAVE A PAYPAL ACCOUNT

- a. Go to national website at www.ministerscouncil.com.
 - b. Go to "Support" then "Join" Tabs. A map will appear where you can select IL for our chapter.
 - c. Select your dues level based on income, and then select "Subscribe."
 - d. This will take you to an account creation page, where you will create a new account, or log in to renew from last year.
- If you have any questions about national website, contact jacki@livingwellministries.net.

Notes: If you pay at our national website, the National Office will absorb the 3% PayPal fees and send us the entire portion of our local chapter dues. If you select income level "Below 10,000" the national office will refund the \$20 indicated as Chicago Chapter Dues, since we are not charging local fees for this category.
