

SHORT-TERM MISSION TRIP TO ISRAEL/PALESTINE

July 1-9, 2019 | Estimated cost: \$1,900 plus airfare

REGISTER BY: MARCH 29, 2019

International Ministries (IM) invites you to join the Rev. Charles Jones, IM area director for Europe, the Middle East and Liberia, on a team traveling to Israel to gain first-hand knowledge of what life is like for Baptist Christians in this conflict-weary land.

For many of us, the region of the Middle East is synonymous with conflict and war.

You may be surprised to learn that American Baptists have Christian partners in Israel/Palestine, the Association of Baptist Churches in Israel (ABC). As a participant on this trip you will explore the history of Baptist life and witness in this land we call "holy." We'll learn what life is like for these modern-day followers of Jesus Christ in the land of his birth. What ongoing challenges do these brave disciples face every day? How are they seeking to be faithful to God's call upon their lives? And how may we journey with them in discipleship and service?

This mission experience will provide a good mix of visiting important sites and interacting with Baptist/Christian sisters and brothers, fellow believers who are living out their faith under the constraints of long-term conflict and the challenges of competing allegiances.

Expect to be transformed by what you see and hear!
